

**The trustees of Swanland Village Hall are pleased to announce that the hall has been awarded the Hallmark 3 quality mark and that it is the first village hall in the East Riding of Yorkshire to achieve this prestigious award.**

**Hallmark is a quality standards scheme for village halls and aims to recognise the work undertaken by volunteer management committees and good practice in the management of their building. It encourages improvement in established customs and procedures and for the community to recognise the standard of local management of community facilities such as village halls.**

**Swanland village hall had already achieved Hallmark awards 1 and 2 but Hallmark 3 needs a village hall to show how it serves local people with community and social awareness, and forward planning.**

**We are pleased to say that we could provide evidence of all that was required to achieve the award. The certificate will be on display at the village hall.**

**HALLMARK**
